File: Advisory Opinion 1989 - Outside Earned Income

U.S. House of Representatives
Committee on Standards of Official Conduct
Suite HT-2, U.S. Capitol
Washington, DC 20515

February 7, 1989

The Honorable Harry Johnston
United States House of Representatives
1517 Longworth House Office Building
Washington, D. C. 20515

Dear Colleague:

This responds to your letter of January 31, 1989, regarding outside income. You state that you were elected to Congress in November 1988. You have practiced law for the past 30 years in Palm Beach County, Florida. You have substantial accrued legal fees that will be paid to you from your law firm in 1989 and possibly in 1990. These fees will be coming to you principally through estates that you have handled either as attorney and/or personal representative and also a will contest that you have handled on a contingent fee basis. You state that your letter was written to establish as a matter of record with this Committee that your fees for outside earned income will exceed that which is proscribed by the House rules.

Normally, violation of a House rule, such as that pertaining to the limitation on outside earned income, may expose a Member to sanction, regardless of whether he has taken the initiative to bring the matter to the Committee's attention.

The standard governing limitations on outside earned income is House Rule XLVII. It states, in part:

> 1. (a) Except as provided by paragraph (b), no Member may, in any calendar year beginning after December 31, 1978, have outside earned income attributable to such calendar year which is in excess of 30 per centum of the aggregate salary as a Member paid to the Member during such calendar year.
>
> (b) In the case of any individual who becomes a Member during any calendar year beginning after December 31, 1978, such Member may not have outside earned income attributable to the portion of that calendar year which occurs after such individual

FILE COPY

> becomes a Member which is in excess of 30 percentum of the aggregate salary as a Member paid to the Member during such calendar year.

This standard of conduct goes on to state at clause 3 that for the purposes of the Rule:

> (d) The term "outside earned income" means, with respect to a Member, wages, salaries, professional fees, honorariums, and other amounts (other than copyright royalties) received or to be received as compensation for personal services actually rendered but does not include--
>
> . . . . .
>
> (2) any compensation derived by such Member for personal services actually rendered prior to the effective date of this rule or becoming such a Member, whichever occurs later. . . .

Assuming the compensation you are to receive from your practice of law will be derived from personal services rendered prior to the effective date for which you become a Member of Congress, those amounts would not be counted towards your outside earned income limits for the years in which the monies are received.

If you have any further questions concerning this matter, please contact the Committee staff at extension 5-7103.

Sincerely,

Julian C. Dixon
Chairman

Honorable Donn Anderson
Clerk, U.S. House of Representatives
1036 Longworth H.O.B.

Dear Mr. Anderson:

On page A-3, Part IV - Transactions of the Financial Disclosure Statement for 1990, the Amount of Transaction was inadvertently omitted. The column that should have been checked was "B" ($1,001-$15,000) for each of the three lines of entry, therefore amending the disclosure form dated May 14, 1991.

Sincerely,

Dale E Kildee

U.S. House of Representatives

Washington, DC 20515

[illegible]

March 11, 1987

The Honorable Robert J. Lagomarsino
United States House of Representatives
2332 Rayburn House Office Building
Washington, D. C. 20515

Dear Colleague:

This is in response to your letter of March 4, 1987, requesting the advice of this Committee regarding the applicability of House Rule XLVII to your receipt of fees for serving as attorney for your father's estate.

You explain that your father, Emilio J. Lagomarsino, died on November 3, 1985. You were named attorney for the estate in his will and associated with John Fay, Esquire, for this purpose. The will has been admitted to probate and the estate will be ready to be closed in the near future. The statutory attorneys' fees are $87,104.68, to which you would be entitled to no more than one-half, or $43,552.34.

House Rule XLVII limits the amount of outside earned income which a Member of the House of Representatives may receive in a calendar year to 30 percent of the Member's aggregate yearly congressional salary. As provided in the rule, the term "outside earned income" means "wages, salaries, professional fees, honorariums, and other amounts ... received as compensation for personal services actually rendered." Several exemptions are noted, however. Clause 3(d)(4) of Rule XLVII specifically states that outside earned income does not include--

> in the case of a Member engaged in a trade or business in which the Member or his family holds a controlling interest and in which both personal services and capital are income-producing factors, any amount received by such Member so long as the personal services actually rendered by the Member in the trade or business do not generate a significant amount of income.

The Honorable Robert J. Lagomarsino
March 11, 1987
Page 2

The exemption is intended to assure Members that they could make decisions and take actions necessary to protect family resources. (See, House Document 95-73, p. 11; see also, Advisory Opinion No. 13, House Select Committee on Ethics, 95th Congress.) The services you have performed for your father's estate are closely analogous to those stated in the cited exemption. Furthermore, your nomination to serve as attorney by will, as well as the fact that the fee you are to receive is set by statute, is evidence that this activity does not present the type of conflict which House Rule XLVII was designed to address. Accordingly, the Committee is of the opinion that the specified fee is not embraced by the limitation of the rule.

While this compensation will not be counted as outside earned income for the purposes of the limitation in Rule XLVII, please note that it still must be reported on the Financial Disclosure Statement you are required to file as a Member of the House of Representatives by May 15th of each year. For purposes of clarity, we suggest that you note on the statement that this income is from family activity.

If you have any further questions concerning this matter, please contact the Committee staff at extension 5-7103.

Sincerely,

Julian C. Dixon
Chairman

For the record, the entire amount of the assets held in both IRA accounts as reported in my original Financial Disclosure filing are held in "Merrill-Lynch United States of America Government Reserves."

CONTINUATION OF EDWARD R. LEWIS AND ELAINE L. LEWIS TRUST

The undersigned, Richard J. Lewis, Edward R. Lewis, Jr., C. Jeremy Lewis, and John C. Lewis are the vested sole beneficiaries of the Edward R. Lewis and Elaine L. Lewis Trust executed June 15, 1983, a copy of which is attached hereto. Following the deaths of Edward R. Lewis and Elaine L. Lewis, outright distribution has been made of some of the assets of this Trust, but the assets listed on Schedule A attached hereto continue to be held by C. Jeremy Lewis as Trustee of said Trust for the benefit of all of the undersigned.

The undersigned hereby agree that said property shall continue to be held, administered, and distributed by Trustee of said Trust in accordance with the provisions of said Trust as modified by this instrument.

1. Purpose. The purpose of this Trust as hereby extended shall be for Trustee to manage the assets of this Trust, collect all payments on obligations owed, divide and distribute the proceeds equally between us, liquidate all tangible assets of this Trust, and make distribution of the net proceeds to us.

2. Term. The term of this Trust shall be for so long as necessary to sell the real property and obtain complete payment on all notes and contracts which are the subject of this Trust, or for 10 years from the date of this instrument, whichever first occurs. At the expiration of this Trust, outright distribution shall be made by Trustee to the undersigned in equal shares, if all of them living, or to the successor beneficiaries of each of us as designated on the beneficiary designation of each, if any of us is not living at the time a distribution is to be made.

3. Beneficiary Designations. For so long as each of us are living, all distributions shall be made in equal shares to each of us, with Trustee holding such reserves as Trustee may deem appropriate for the management of the Trust estate. Upon the death of any of us prior to the termination of this Trust, the share of this Trust allocable to such deceased person and all distributions being made for such person shall be delivered to the beneficiaries designated for such person in accordance with the Beneficiary Designation of such deceased person delivered to Trustee. If no Beneficiary Designation has been executed by any of us at the time of the death of any of us or Trustee has not received the original of such Beneficiary Designation when a distribution is to be made, distribution of such deceased person's share shall be made without the need for any probate administration to the beneficiaries of such deceased person's last Will, or if there is no Will, to such deceased beneficiary's intestate heirs according to California's laws of intestate succession. If Trustee has any doubt as to the appropriate distribution to be made, Trustee may, in Trustee's sole discretion, make distribution to the estate of the one of us as to

whom the ambiguity exists or may petition the Court for instructions as to the appropriate distribution. Each of us may modify his Beneficiary Designation at any time by sending to Trustee a duly executed revision and, upon receipt of such change of Beneficiary Designation by Trustee, such change shall be effective.

3.1 Each of us shall be considered as the primary beneficiary of his share of this Trust, and the designated successor beneficiaries shall have no rights or powers concerning this Trust until the interests of such successor beneficiaries vest upon the death of one of us.

3.2 Notwithstanding anything set forth above, Trustee may, in Trustee's sole discretion, at any time elect to distribute all of the assets of this Trust in undivided shares equally between the four primary beneficiaries of the Trust; provided, however, if any of us is then deceased, the distribution of the share of such deceased one of us shall be made to the designated beneficiaries of such deceased person.

4. Additional modifications of Trust. This Trust may be amended at any time by written document executed by the four of us and may be revoked by written document executed by the four of us. It may not be amended or revoked in any other manner.

Executed effective December 1, 1989.

1222 Longworth House Office Building
Washington, D.C. 20515

Dear Colleague:

This responds to your letter of October 24, 1990, requesting advice from this Committee regarding the propriety of you, your wife, and your Chief of Staff, Mark Anderson, accepting an invitation from the Far East Studies Institute to participate in a cultural and educational exchange program in the People's Republic of China from November 11-18, 1990. The invitation accompanying your letter explains that the Chinese People's Institute of Foreign Affairs, in conjunction with the Far East Studies Institute, will sponsor and coordinate this program, and the program has been approved by the U.S. Information Agency (USIA) and authorized under the provisions of the Mutual Educational and Cultural Exchange Act.

Government officials, including Members and employees of Congress, are prohibited by Article I, Section 9, clause 8, of the United States Constitution from receiving "any present . . . of any kind whatever" from a foreign state or a representative of a foreign government without the consent of Congress. Congress has consented, through the vehicle of the Foreign Gifts and Decorations Act (5 U.S.C. § 7432) to the acceptance of certain gifts. The Act, and regulations promulgated by this Committee pursuant to it, permit Members, employees, and their spouses to accept assistance from a foreign government for participation in a foreign exchange or visitors program outlined in the Mutual Educational and Cultural Exchange Act (22 U.S.C. § 2458a). See 5 U.S.C. §7342(k), and Paragraph 6(d) of Regulations for the Acceptance of Decorations and Gifts, House Committee on Standards of Official Conduct, included at pages 204-208 of the Ethics Manual for Members, Officers, and Employees of the U.S. House of Representatives. In view of the fact that the invitation indicates this program has been approved by USIA pursuant to the Mutual Educational and Cultural Exchange Act and is in full compliance with federal law, you, your wife, and Mr. Anderson may accept the travel in question.

The Honorable Jim Lightfoot
October 25, 1990
Page 2

Section 805(a)(1) of the Ethics Reform Act of 1989 sets a ceiling on the expenses which will normally be deemed necessary for privately paid foreign travel. However, this limit does not apply to a cultural exchange program sponsored by a foreign government such as this.

All travel expenses aggregating $250 or more in value from a single source must be disclosed as "reimbursements" on the Financial Disclosure Statements of those individuals, including Members, who file such reports pursuant to the Ethics in Government Act of 1978. The Ethics Reform Act requires reporting not only the identity of the source of the travel but also a brief description, including a travel itinerary, dates, and nature of expenses provided.

If you have any further questions concerning this matter, please contact the Committee's Office of Advice and Education at extension 5-3787.

Sincerely,

Dear Colleague:

This responds to your letter dated November 8, 1990, requesting an opinion from this Committee regarding an invitation you, your wife, and your Chief of Staff, Mark Anderson, have received from American President Lines, Ltd., to visit its facilities in Hong Kong from November 18-20, 1990, following your trip to the Peoples' Republic of China with the Far East Studies Institute. You included with your letter a copy of the invitation.

It is the responsibility of the traveling Member or employee to determine whether the sponsor of a trip of this kind is a foreign government or agent thereof, or acting on behalf of a foreign government. For purposes of this advisory opinion, it is assumed that American President Lines, Ltd., is not such an entity. Accordingly, your travel expenses are deemed not to be subject to the Foreign Gifts and Decorations Act (5 U.S.C. § 7342).

The applicable rule is House Rule XLIII, clause 4, which, effective January 1, 1990, provides that a Member, officer, or employee of the House shall not accept in any calendar year gifts aggregating more than "minimal value," directly or indirectly, from any source other than a relative. In Advisory Opinion No. 8, the Select Committee on Ethics of the 95th Congress determined that necessary travel expenses provided by the sponsor of a fact-finding event or activity, which is directly related to official duties, are not considered to be gifts for purposes of this rule. That advisory opinion also states that "the responsibility will rest with the Member, officer, or employee to determine whether the particular event or activity is intended for fact-finding purposes directly related to official duties."

If you determine that this trip is directly related to your official duties, as well as those of Mr. Anderson, House rules would permit acceptance of necessary expenses. Consistent with

section 805(a) of the Ethics Reform Act of 1989 (Public Law 101-194), the spouse or another family may also accept necessary expenses to accompany a Member or employee on a substantial participation event or fact-finding travel.

Section 805(a)(1) of the Ethics Reform Act sets a ceiling on the expenses which will normally be deemed necessary for privately paid travel. In the case of foreign travel, a maximum of seven consecutive days (excluding travel days) may be accepted without prior written approval from the Committee. Your proposed travel appears consistent with this limit.

All travel expenses aggregating $250 or more in value from a single source must be disclosed as "reimbursements" on the Financial Disclosure Statements of those individuals, including Members, who file such reports pursuant to the Ethics in Government Act of 1978. The Ethics Reform Act requires reporting not only the identity of the source of the travel but also a brief description, including a travel itinerary, dates, and nature of expenses provided.

The Honorable Louis Stokes, Chairman
Committee on Standards of Official Conduct
U.S. House of Representatives
Suite HT-2, U.S. Capitol
Washington, D.C. 20515

Dear Lou:

This letter serves to respond to the correspondence of May 21 which you and Jim Hansen sent reporting on the examination by your office of my most recent Financial Disclosure Statement for 1990. I have reviewed the checklist attached to this letter and have found only one amendment needed, but I will run through an explanation for you and your staff of the other items on the checklist for clarification. Also enclosed you will find the single copy of my 1990 Financial Disclosure Statement which was returned to me with the checklist and which is one of the three copies I submitted originally by the May 15 deadline.

Please accept this letter as an amendment to Part VII for the dates of the travel, food and lodging for a speaking engagement reimbursed by the Securities Industry Association; the correct dates of this trip are 5/17-18/90. The original Disclosure erroneously listed only 5/17/90 by oversight.

On the checklist your staff indicates that under Part II SunTrust stock was disclosed in 1990, but not in 1989. My retained copy of the Financial Disclosure Statement I filed for 1989 on page three of the continuation sheets under Part III, "Holdings," lists at the bottom of that page all of the SunTrust stock that is listed on the 1990 Disclosure Statement as owned by my three dependent children. I am quite sure that my copy is an accurate duplication of what is on file in the Clerk's office, but should your staff upon further review of my 1989 Disclosure Statement not be able to verify this I would appreciate being advised further so that I may reconcile this matter.

It is true that the transactions column is checked for Oracle Jan 20 Call Options under Parts II and III, and that there is no corresponding listing of a transaction for these options under Part IV. The reason for this apparent discrepancy is tnat these options were purchased for less than $1,000 and sold for less

than $1,000 although the profit was greater than $200. Since the sale of these options produced "unearned" income of greater than $200 I believe that I properly reported this activity under Parts II and III. However, since neither of the transactions involved a sum exceeding $1,000 I do not believe that a report of any transaction is required under Part IV.

On the checklist under Part IV, your staff indicates that a number of purchase transactions were not listed as assets under Part II, to wit: Disney August 120 Call Options; OEX August 325 Call Options; Tandem August 225 Call Options; Quantum August 20 Call Options; Tandem November 10 Call Options; and OEX November 305 Call Options. All of these options were purchased during 1990 for a sum exceeding $1,000, and all of them expired worthless during 1990 (this is why under Part IV only a purchase is indicated and not a sale). Since none of these items had a fair market value exceeding $1,000 as of the close of the year and none of them produced "unearned" income of $200 or more during the reporting period I do not believe that they need to be listed under Parts II and III. I can understand why somebody reviewing my statement could be confused since there is no place under Part IV to indicate that options have expired. If there is a preferable way to indicate this to avoid confusion in the future please advise.

Since these are new Disclosure Forms, I particularly appreciate the professional manner in which you and your staff have handled the checklist and verification process. I am sure that there will be some confusion as a result of the new format, for both the filers and those reviewing the statements.

Sincerely,

Bill McCollum

The Honorable Donnald K. Anderson
Clerk of the House
C/O Office of Records and Registration
1036 Longworth House Office Building
Washington, D.C. 20515

Dear Don:

Yesterday I submitted my 1990 Financial Disclosure Report, yet unintentionally failed to include a trip I took during that year. Please accept this letter as an amendment to my 1990 report.

On January 11-14, 1990, I traveled to Miami, Florida for a conference. My trip was sponsored jointly by the Greater Miami Chamber of Commerce, the City of Miami, Dade County, and the Port of Miami. The expenses paid were round trip travel between Washington, D.C. and Miami, three nights lodging, and four days of meals.

Thank you very much for your attention on this matter.

Sincerely,

Jim McCrery
Member of Congress
